NEPTUNE FESTIVAL PARADE GENERAL UNIT INFORMATION

Please closely review the following guidelines before submitting your parade unit application:

- Plan for parade day:
 - Arrival - 9:30am at Atlantic Ave and 5th Street
 - Float Judging: 10:30am in staging position on Atlantic Ave
 - Parade Start Time: 11:30am at Atlantic Ave and 15th Street
 - Parade End Time: 1pm at Atlantic Ave and 33rd Street
- All units need to exhibit the theme of the parade in some manner be it through decoration, music, dress, signage, etc.
- Incomplete applications will not be considered for parade participation. Each of the following unit pages outline at the bottom of each page what is required for your application to be considered complete.
 - Participation in previous years will not be accepted as a substitute for meeting the application requirements.
- Units should not stop at any point on the parade route and should maintain proper spacing. Please ensure that your participation is planned in such a way that up to 20 blocks may be traversed in a slow but steady fashion. Dance performances should be choreographed to keep the units moving forward, and no unit should stop in front of the reviewing stand at 25th Street during the parade. Please ensure that all unit participants who will be walking can sustain a 15 minute per mile pace for 20 city blocks.
- Units are welcome to distribute non-political/non-religious items such as candy, beads, or other relevant “swag.”
 - Items being distributed must be handed directly to parade observers on the sidewalks by individuals walking with the unit - nothing may be thrown into the crowds at any time.
 - The main body of the unit **MUST** keep moving in a steady manner down the parade route while items are being distributed. Any unit coming to a complete stop on the parade route to distribute items may be asked to exit the parade early.
- Larger units will be reviewed due to extended staging space and parade timing. If your unit qualifies as a larger group, you will be contacted by the parade committee for further discussions on accommodations that may be needed.

Thank you for your understanding and cooperation as we strive to keep the parade safe, free, and fun for all!
