

BOOTH SIGNAGE: BANNER RESTRICTIONS

In accordance with directives from the City of Virginia Beach, the Neptune Festival has implemented the following regulations, effective immediately.

- Concessions on the Boardwalk for Neptune Festival events may display **one** advertising or marketing banner aligned with the edge of their tent or trailer (not the peak).
- Signage, which is limited to one banner, may be no bigger than 10 feet long and 3 feet high.
- Failure to adhere to these parameters are grounds for immediate removal from the Neptune Festival and forfeiture of all fees.

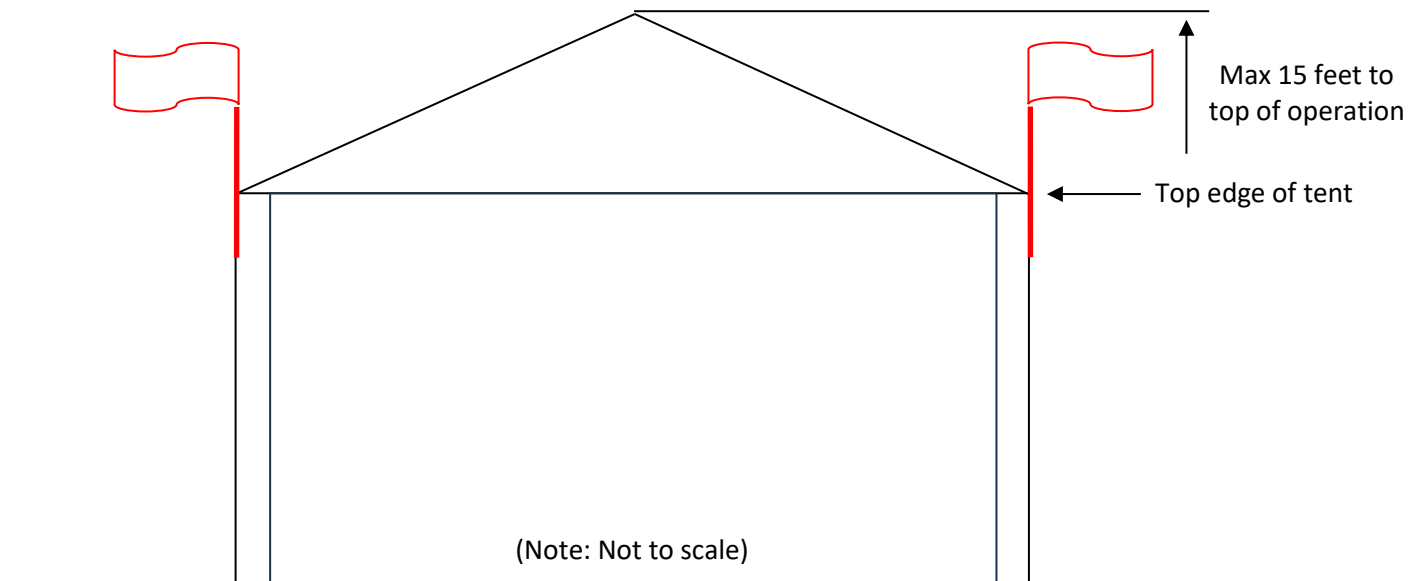

NOTE: This operation would not meet signage limitations.

BOOTH SIGNAGE: FLAG RESTRICTIONS

In accordance with directives from the City of Virginia Beach, the Neptune Festival has implemented the following regulations, effective immediately.

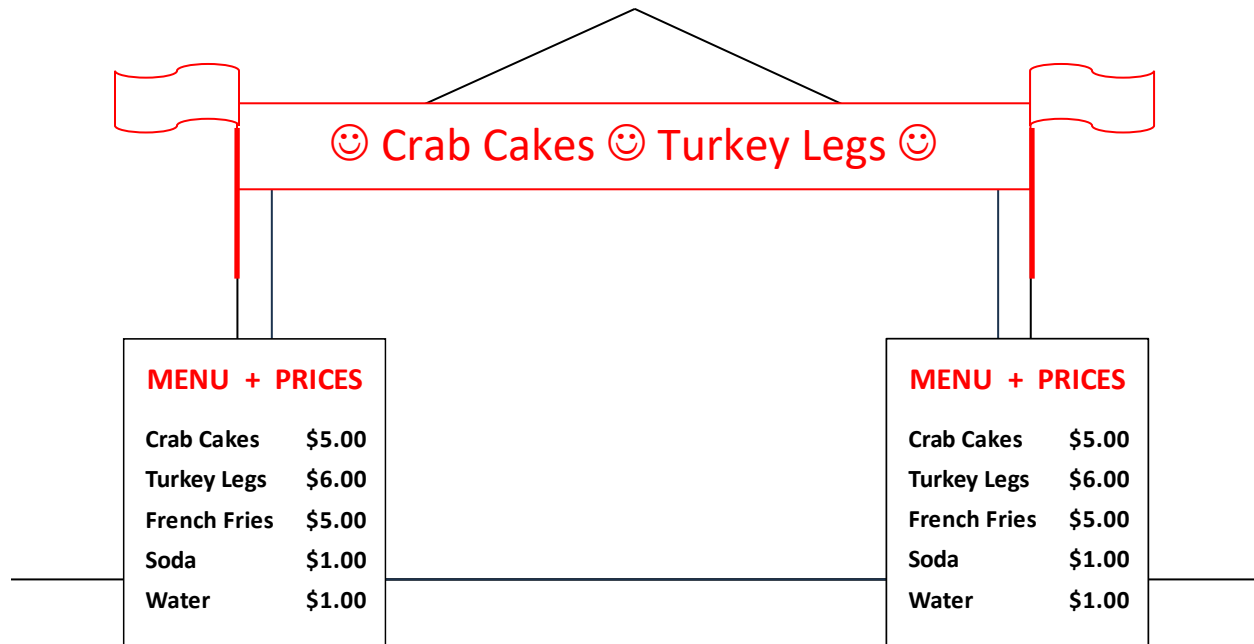

- Concessions on the Boardwalk for Neptune Festival events may NOT display flags of any sort from the top of your operation. A flag may be secured to the front or side of your operation.
- Flags may exceed no higher than 5 feet from the top edge of your operation (not the peak).
- **No more than four (4) flags** are permitted.
- **It does not matter whether it is a tented operation, truck, trailer, or structure - your entire operation (including flags) may not exceed 15 feet high.**
- Failure to adhere to these parameters are grounds for immediate removal from the Neptune Festival and forfeiture of all fees.

NOTE: This operation would not meet flag limitations.

BOOTH SIGNAGE: PRODUCT PRICE LIST/MENU

Menus and pricing must be prominently displayed in booths for all patrons to clearly view, and pricing may not change over the course of the weekend.

Menus, products, and pricing must be pre-approved prior to the Festival during the application submission process.
